Attachments:  bug-1.PNG

Description

The photo that is deleted didn't also delete the folder/album that the Google Photos automatically create when you upload a photo.

It will list of empty albums like 2017-03-26, 2017-03-15, without an easy way to delete them, you basically need to delete one by one.

[P1-5] Application Crashes on creating movie (Custom movie mov extension + image) Created: 26/Mar/17 Updated: 26/Mar/17

| | |
|---------------------------|----------------|
| Status: | To Do |
| Project: | Team Project 1 |
| Component/s: | Android |
